Introduction

In 2019, Mercanoğlu Ltd. started production within the company and in a short time both in Turkey and abroad has found itself a permanent place in the outdoor heater.

We;

As Warmout team, we will continue to update ourselves both in terms of technology, quality and honest marketing and continue to serve our valued customers with new products and designs.

WITH RESPECT,

General Features

- Safety : CE certificate
- Heating Capacity : Max. 10-15 m2 depending on the environment
- Portable : 4 wheels, 2 of which are braked.
- Fuel : 12 kg LPG cylinder
- Tube Durability : 35-40 hours at the highest setting
- Usage Area : Cafe, Restaurant, Hotel, Bar, Winter garden, Terrace, Patio, Garden, Balcony etc....

CHROME MOTIF

Our Perge series is produced in 2 colors as black and bronze. Thanks to chrome, there is no discoloration. Perge, one of our models with motifs without glass, is one of our peaceful models where you can watch the reflections of fire.

NEW INSPIRATIONS

We expand our models with new and original designs every season. We are now in your interiors with soot-free, smokeless and odorless bio ethanol fireplace models. Our aim is to bring you, our customers, together with the easiest use and the most striking designs.
